

## SKILLS

---

- **Programming Languages:** C | C++ | Java | Javascript | PHP
- **Frontend:** JavaScript | JQuery | Ajax | Bootstrap | CSS | HTML
- **Backend:** PHP | Laravel
- **Database:** MySQL | **ORM:** Eloquent ORM | **Version Control :** Git | GitHub
- **Tools:** Postman | Vercel | JWT | Axios
- **Topics:** MVC | SPA | SSR | CSR | Authentication | Authorization | Reusability | Scalability | Maintainability

## PROJECT

---

### Online Shop

**Technology:** Laravel, PHP, MySQL, Ajax, Javascript, Bootstrap, CSS, HTML.

- Developed an online shop website with features like product search, add-to-cart, wishlist creation, and order placement.
- Integrated online payment functionality using Stripe for secure and seamless transactions.
- Implemented product browsing by categories and brands, enhancing the user experience for targeted shopping.
- Enabled a user-friendly checkout process for easy order completion.
- Designed a responsive interface to ensure accessibility across various devices.

### Hotel Booking System

**Technology:** PHP, MySQL, Ajax, Javascript, Bootstrap, CSS, HTML.

- Developed a web application allowing users to search for available hotel rooms.
- Implemented a booking system enabling users to reserve rooms online.
- Integrated an online payment gateway to facilitate secure and seamless transactions during booking.

### Doctor Appointment System

**Technology:** PHP, MySQL, Ajax, JQuery, Javascript, Bootstrap, CSS, HTML.

- Built a platform where users can search for available doctors by department.
- Enabled users to view doctors' schedules and book appointments at specific times.
- Integrated online appointment booking and payment functionality for a seamless user experience.

## EDUCATION

---

**Bangladesh University Business & Technology (Evening Running) - BSc**  
in CSE

CGPA: 3.73 out of 4.00

CGPA: 3.81 out of 4.00

**Infra Polytechnic Institute -**  
Diploma in Computer Engineering

## LANGUAGES

---

**Native:** Bengali      **Fluent:** English
